## More than a Care Home

Pinewood Lodge is more than a care home. It's a place to enjoy life in a warm, friendly and caring environment. A place where you have the freedom to be who you want to be, either independently or with our support.

# Your Home

Moving into a care home doesn't mean having to change your life. It just means that if you need help, you have it close to hand. We're here to encourage and enable you to continue to do all of the things that you've always enjoyed doing, providing support whenever it's needed.

We are very aware that maintaining relationships is important and your family and friends are welcome to visit you, or if this is not possible, we can help you to keep in touch via phone and video conferencing over our wi-fi network which is available throughout the home.

At Pinewood Lodge, all of the things that are important to you matter to us too. Together, we can make sure that you continue to live life the way you want to live it.

## Your Choice

At Pinewood Lodge, you have the freedom to enjoy spending time in any way you wish. You'll have your own fully furnished room with en-suite facilities

If you are looking to spend time with others, the home features a wide range of social areas including comfortable lounges, a number of dining rooms, cosy corners and a Best Friends Café.

”

When you want to enjoy the outdoors, Pinewood Lodge benefits from lovely landscaped gardens which include a patio and a number of occasional seating areas that are perfect during the warmer months.

## Your Leisure

People are happier and more content when they stay physically, socially and mentally active. That's why, at Pinewood Lodge, we have a dedicated team of Activities Co-ordinators. They'll work with you to plan a wide range of activities for you to enjoy. They can help you pursue your favourite hobbies and interests and maybe introduce you to some new ones too.

Some activities are enjoyed in groups, whilst others are offered on a one-to-one basis. You can get involved in everything from gentle exercise and arts and crafts through to evening entertainment, themed parties and outings.

Feeling good is also about looking good. That's why we have our own hairdressing salon, laundry and ironing service.

## Your Dining Experience

Food isn't only one of the greatest pleasures in life, it's also vital to physical and mental well-being. That's why we place such an emphasis on the experience of eating. All of our meals are prepared on site using fresh ingredients from sustainable sources that are as local as possible. Meals can be enjoyed in your dining area for a more sociable experience or, if you would prefer, in the privacy of your own room.

”

Our menus are varied and offer a number of different options and our chefs can tailor the menu to meet a wide range of dietary requirements.
